Remarks: _____

Section 23a of the State Construction Act of 1972, PA 230, MCL 125.1523A prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violations of Section 23a are civil infractions. All work to meet all currently adopted code requirements.

 Owner's Signature Date Contractor's Signature Date

This is not a permit. Installation may not commence until an electrical permit has been issued.
An original application with original signatures is required (no photocopies or facsimiles).
A self-addressed stamped envelope must accompany all mail-in applications.
There is a re-inspection fee of \$40.00 for failed or locked-out inspections.
