This is not a permit. Installation may not commence until an electrical permit has been secured.

A copy of the applicant's State of Michigan driver's license/photo I.D. is required.

A copy of the applicant's State of Michigan Electrical Master and Contractor License is required (\$25.00 fee)

An original application with original signatures is required (no photocopies or facsimiles)

S.A.S.E. must accompany all mail-in applications.

Section 23a of the State Construction Act of 1972, PA 230, MCL 125.1523A prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violations of Section 23a are civil infractions. All work to meet 2005 NEC requirements.
