Mayor's Approval ____________________________

BACKGROUND INFORMATION

A public hearing was held, and the proposed text amendments were recommended for approval by the Planning Commission on Monday, January 27, 2020. No public comment was received on the amendments at the public hearing. Draft meeting minutes are attached.

Proposed modifications include changes to §155.036 “Schedule of Land Uses, Public, Quasi-Public Land Use Types” to make “Private clubs, fraternal organizations, and lodge halls” a special land use in the B-2, B-3, and TCD districts, and a permitted land use in the M-1 district. Deletion of “§ 155.218 Theaters, Assembly Halls, Concert Halls, Clubs and Similar Organizations” and associated location restrictions.

SCOPE OF SERVICES

N/A

JUSTIFICATION

The proposed zoning text amendments are being initiated by the City of Inkster due to the onerous burden placed on applicants when the City requires them to collect petition signatures.

The petition signature collection requirement has been triggered multiple times in a past few years for land uses as diverse as fraternal lodges, motorcycle clubs, and boys and girls clubs. When these applicants attempted to gather the required signatures in every instance they failed or just barely met the 51% threshold. This is primarily due to the fact that residents are uncomfortable answering the door to people they do not know, or due to rampant residential and commercial vacancies, and an inability to track down absentee property owners. Therefore, Planning Staff believes that a more practical way to regulate social clubs and similar land uses is to make them special land uses. Social
clubs and similar land uses are currently permitted by right. Making them a special land use would still allow the Planning Commission and City Council to use their discretion in approving these land uses, and the public and neighboring properties would still be notified through a public hearing process; however, it would remove the onerous signature collection burden. This proposed change only affects social clubs, assembly halls, concert halls, and theaters, and would not affect existing location or petition requirements associated with any other land uses.

**PROJECT OR IMPROVEMENT TASKS**

1. Improve and promote the image of Inkster.
2. Develop a plan to diversify the tax base to ensure a sustainable budget for Inkster.

**COSTS**

There are no costs associated with these proposed text amendments.

**PROJECT TIME TABLE**

A second reading and request for approval of the proposed text amendments is scheduled during the Council meeting on Monday, February 17, 2020. If the request is approved by Council, the amendment will be published and posted and become effective after 30 days.

MOVED by Ratliff, Seconded by Faison to Adopt the Minutes. MOTION CARRIED unanimously.

IV. PUBLIC HEARINGS

A. Case #19-05 (SLU) 19-06 (SP) Adult Foster Care Facility
Public Hearing to review and consider approval of a special land use and site plan for a proposed Adult Foster Care Facility in the B-2, Thoroughfare Mixed-Use District at 715 Inkster, between Woodsfield and Avondale. Ihsan Asmar on behalf of Forever Care Homes is the applicant.

MOVED by Ratliff, Seconded by Davis to open the public hearing for Case #19-05 (SLU), 19-06 (SP)—Adult Foster Care Facility. MOTION CARRIED unanimously.

Commissioners Concerns:

1. Chairman Chisholm asked about the shared parking agreement and whether or not the whole thing should be tabled with the newly garnered information. Mr. Portes and Ms.
Asmar replied that they had been in talks with the attorney that day and that they should not have sent the letter regarding the shared parking agreement. Ms. Jordan mentioned that the attorney’s letter stated that there is not enough information to make a decision.

2. Vice Chairman Ratliff asked if there was currently a moratorium on AFC homes. Ms. Jordan replied that she did not believe so. He then asked about ownership of the garage behind the building. Ms. Asmar replied that it was owned by the school.

3. Commissioner Faison asked about the ratio of people versus rooms available. Ms. Asmar responded that they meet state requirements for room square footage and occupants. Some rooms will house two people.

4. Commissioner Davis asked what type of loading zone will be needed for this type of facility. Ms. Asmar replied that most of their deliveries will be with large vans, and that’s why they requested the reduced loading zone size.

5. Commissioner Cain asked what would happen if the shared parking agreement fell through. Ms. Asmar mentioned looking into purchasing another property or giving up the building all together. Shawn Hart then spoke on their meetings with the AFC regarding the shared parking agreement and that the board approved it, but the land owner was looking into it.

MOVED by Davis, Seconded by Ratliff to close the public hearing. MOTION CARRIED unanimously.

MOVED by Cain, Seconded by Faison to table 19-05 (SLU) and 19-06 (SP). MOTION CARRIED unanimously.

B. Case #18-28 (TA) Social Clubs
Consideration of proposed text amendments to the City’s Zoning Ordinance pertaining to provisions for Social Clubs. Proposed modifications include changes to §155.036 “Schedule of Land Uses, Public, Quasi-Public Land Use Types” to make "Private clubs, fraternal organizations, and lodge halls" a special land use in the B-2, B-3, and TCD districts, and a permitted land use in the M-1 district., Deletion of “§ 155.218 Theaters, Assembly Halls, Concert Halls, Clubs and Similar Organizations” and associated location restrictions.

MOVED by Davis, Seconded by Faison to open the public hearing for Case #18-28, (TA) – Social Clubs. MOTION CARRIED unanimously.

Commissioners Concerns:

1. Chair Chishom questioned why they were permitted in the M-1 district. Ms. Jordan theorized that the intention was originally for organizations associated with Industrial unions, and that these could be fraternal groups like the ELKs.

MOVED by Davis, Seconded by Ratliff to close the public hearing. MOTION CARRIED unanimously.

MOVED by Davis, Seconded by Ratliff to recommend approval of 18-28 (TA)- Social Clubs. MOTION CARRIED unanimously.
C. **Case # 19-25 (TA) Mixed-Use and Special Land Use Developments**
   Consideration of proposed text amendments to the City's Zoning Ordinance pertaining to provisions for Mixed-Use and Special Land Uses. Proposed modifications include changes to §155.036 “Schedule of Land Uses” to make “Mixed Use Residential and Business (Lofts)” a principally permitted land use, and other associated changes.

**MOVED** by Davis, Seconded by Ratliff to open the public hearing for Case #19-25, (TA) – Mixed- and Special Land Use Developments. **MOTION CARRIED unanimously.**

**Public Comment:**

1. Tim Williams asked for an example of what a SLU and Mixed land use would be. Ms. Jordan mentioned that mixed-use is typically commercial on a bottom floor with residential on the top floor, and needs to be a principally permitted use instead of a Special Land Use in all business districts in order to comply with the RRC certification process, promote walkability and bikability, and to streamline development.

2. Octavia Smith asked whether this would be like the developments in New York and other older cities, Ms. Jordan replied that this would remove a lot of red tape for these types of mixed land use developments.

**MOVED** by Davis, Seconded by Faison to close the public hearing. **MOTION CARRIED unanimously.**

**MOVED** by Ratliff, Seconded by Faison to recommended approval of 19-25 (TA) – Mixed Use and Special Land Use Developments. **MOTION CARRIED unanimously.**

Subject: TA 18-28 Social Club Zoning Text Amendments

The City of Inkster Planning Department is submitting the above-referenced revised zoning text amendments for the Planning Commission’s review and consideration.

DESCRIPTION

The proposed zoning text amendments are being initiated by the City of Inkster due to the onerous burden placed on applicants when the City requires them to collect petition signatures.

The petition signature collection requirement has been triggered multiple times in the past few years for land uses as diverse as fraternal lodges, motorcycle clubs, and boys and girls clubs. When these applicants attempted to gather the required signatures in every instance they failed or just barely met the 51% threshold. This is primarily due to the fact that residents are uncomfortable answering the door to people they do not know, or due to rampant residential and commercial vacancies, and an inability to track down absentee property owners. Therefore, Planning Staff believes that a more practical way to regulate social clubs and similar land uses is to make them special land uses. Social clubs and similar land uses are currently permitted by right. Making them a special land use would still allow the Planning Commission and City Council to use their discretion in approving these land uses, and the public and neighboring properties would still be notified through a public hearing process; however, it would remove the onerous signature collection burden. This proposed change only affects social clubs, assembly halls, concert halls, and theaters, and would not affect existing location or petition requirements associated with any other land uses.

Amendments are proposed to the following sections of the City of Inkster’s Zoning Ordinance:

- In §155.036 “Schedule of Land Uses, Public, Quasi-Public Land Use Types”, make “Private clubs, fraternal organizations, and lodge halls” a special land use in the B-2, B-3, and TCD districts, and a permitted land use in the M-1 district.
• In §155.046 “B-2 Thoroughfare Mixed-Use District”, make “Private clubs, fraternal organizations and lodge halls” a special land use and remove the location restrictions for this use and for theaters and assembly halls.

• In §155.048(B) “M-1 Light Industrial District, Principal Uses Permitted”, remove the location restrictions for private clubs, fraternal organizations, and lodge halls.

• In §155.049(B) “TCD Town Center District, Principal Uses Permitted”, remove the location restrictions for theaters and assembly halls.

• Deletion of “§ 155.218 Theaters, Assembly Halls, Concert Halls, Clubs and Similar Organizations” and associated location restrictions.

BACKGROUND INFORMATION

A public hearing was held, and the proposed text amendments were recommended for approval by the Planning Commission on Monday, January 27, 2020. Public comments were received on the proposed text amendments. Draft meeting minutes are attached.

Proposed modifications include changes to §155.036 "Schedule of Land Uses" to make "Mixed Use Residential and Business (Lofts)" a principally permitted land use, and other associated changes.

SCOPE OF SERVICES

N/A

JUSTIFICATION

The zoning audit conducted by the RRC program for the City of Inkster requires the City to permit vertical mixed-use residential/commercial developments as principally permitted uses in order to streamline the development process. Under the current zoning ordinance mixed-use development is considered a special land use. Making this change also helps our zoning ordinance better implement the goals of the City's adopted Master Plan which encourages mixed-use developments.

In terms of the other item for consideration, the Michigan Zoning Enabling Act of 2006 re-categorized all special conditions land uses, regulated land uses, and special land uses under the term "special land use"; however, despite the same permitting process, our zoning ordinance puts extra location and noticing requirements on the more intensely reviewed adult-nature "regulated" land uses. The enclosed proposed language would clarify that "regulated" land uses must still go through the "special land use" permitting process in compliance with the MZEA, but in addition to that they are also subject to the more stringent location and noticing requirements.
PROJECT OR IMPROVEMENT TASKS
1. Revitalize the Michigan Avenue Corridor and the area covered by the DDA.
2. Improve and promote the image of Inkster.
3. Develop a plan to diversify the tax base to ensure a sustainable budget for Inkster.

COSTS
There are no costs associated with these proposed text amendments.

PROJECT TIME TABLE
A second reading and request for approval of the proposed text amendments is scheduled during the Council meeting on Monday, February 17, 2020. If the request is approved by Council, the amendment will be published and posted and become effective after 30 days.

IV. PUBLIC HEARINGS

A. Case #s 19-05 (SLU) 19-06 (SP) Adult Foster Care Facility

Public Hearing to review and consider approval of a special land use and site plan for a proposed Adult Foster Care Facility in the B-2, Thoroughfare Mixed-Use District at 715 Inkster, between Woodsfield and Avondale. Ihsan Asmar on behalf of Forever Care Homes is the applicant.

MOVED by Ratliff, Seconded by Davis to open the public hearing for Case #19-05 (SLU), 19-06 (SP) --Adult Foster Care Facility. MOTION CARRIED unanimously.

Commissioners Concerns:

1. Chairman Chisholm asked about the shared parking agreement and whether or not the whole thing should be tabled with the newly garnered information. Mr. Portes and Ms.
Asmar replied that they had been in talks with the attorney that day and that they should not have sent the letter regarding the shared parking agreement. Ms. Jordan mentioned that the attorney's letter stated that there is not enough information to make a decision.

2. Vice Chairman Ratliff asked if there was currently a moratorium on AFC homes. Ms. Jordan replied that she did not believe so. He then asked about ownership of the garage behind the building. Ms. Asmar replied that it was owned by the school.

3. Commissioner Faison asked about the ratio of people versus rooms available. Ms. Asmar responded that they meet state requirements for room square footage and occupants. Some rooms will house two people.

4. Commissioner Davis asked what type of loading zone will be needed for this type of facility. Ms. Asmar replied that most of their deliveries will be with large vans, and that's why they requested the reduced loading zone size.

5. Commissioner Cain asked what would happen if the shared parking agreement fell through. Ms. Asmar mentioned looking into purchasing another property or giving up the building all together. Shawn Hart then spoke on their meetings with the AFC regarding the shared parking agreement and that the board approved it, but the land owner was looking into it.

MOVED by Davis, Seconded by Ratliff to close the public hearing. MOTION CARRIED unanimously.

MOVED by Cain, Seconded by Faison to table 19-05 (SLU) and 19-06 (SP). MOTION CARRIED unanimously.

B. Case #18-28 (TA) Social Clubs
Consideration of proposed text amendments to the City’s Zoning Ordinance pertaining to provisions for Social Clubs. Proposed modifications include changes to §155.036 “Schedule of Land Uses, Public, Quasi-Public Land Use Types” to make “Private clubs, fraternal organizations, and lodge halls” a special land use in the B-2, B-3, and TCD districts, and a permitted land use in the M-1 district. Deletion of “§ 155.218 Theaters, Assembly Halls, Concert Halls, Clubs and Similar Organizations” and associated location restrictions.

MOVED by Davis, Seconded by Faison to open the public hearing for Case #18-28, (TA) – Social Clubs. MOTION CARRIED unanimously.

Commissioners Concerns:

1. Chair Chishom questioned why they were permitted in the M-1 district. Ms. Jordan theorized that the intention was originally for organizations associated with industrial unions, and that these could be fraternal groups like the ELKs.

MOVED by Davis, Seconded by Ratliff to close the public hearing. MOTION CARRIED unanimously.

MOVED by Davis, Seconded by Ratliff to recommended approval of 18-28 (TA)- Social Clubs. MOTION CARRIED unanimously.
C. **Case # 19-25 (TA) Mixed-Use and Special Land Use Developments**
Consideration of proposed text amendments to the City’s Zoning Ordinance pertaining to provisions for Mixed-Use and Special Land Uses. Proposed modifications include changes to §155.036 “Schedule of Land Uses” to make “Mixed Use Residential and Business (Lofts)” a principally permitted land use, and other associated changes.

**MOVED** by Davis, Seconded by Ratliff to open the public hearing for Case #19-25, (TA) – Mixed- and Special Land Use Developments. **MOTION CARRIED unanimously.**

**Public Comment:**

1. Tim Williams asked for an example of what a SLU and Mixed land use would be. Ms. Jordan mentioned that mixed-use is typically commercial on a bottom floor with residential on the top floor, and needs to be a principally permitted use instead of a Special Land Use in all business districts in order to comply with the RRC certification process, promote walkability and bikability, and to streamline development.

2. Octavia Smith asked whether this would be like the developments in New York and other older cities. Ms. Jordan replied that this would remove a lot of red tape for these types of mixed land use developments.

**MOVED** by Davis, Seconded by Faison to close the public hearing. **MOTION CARRIED unanimously.**

**MOVED** by Ratliff, Seconded by Faison to recommended approval of 19-25 (TA) – Mixed Use and Special Land Use Developments. **MOTION CARRIED unanimously.**

Subject: TA 19-25 Mixed Use and Special Land Use Zoning Text Amendments

The City of Inkster Planning Department is submitting the above-referenced revised zoning text amendments for the Planning Commission’s review and consideration.

DESCRIPTION

The proposed zoning text amendments are being initiated by the City of Inkster as part of the Redevelopment Ready Communities (RRC) certification process, and to clarify the differences and similarities between regulated and special land uses.

The zoning audit conducted by the RRC program for the City of Inkster requires the City to permit vertical mixed-use residential/commercial developments as principally permitted uses in order to streamline the development process. Under the current zoning ordinance mixed-use development is considered a special land use. Making this change also helps our zoning ordinance better implement the goals of the City’s adopted Master Plan which encourages mixed-use developments.

In terms of the other item for consideration, the Michigan Zoning Enabling Act of 2006 re-categorized all special conditions land uses, regulated land uses, and special land uses under the term “special land use”; however, despite the same permitting process, our zoning ordinance puts extra location and noticing requirements on the more intensely reviewed adult-nature “regulated” land uses. The enclosed proposed language would clarify that “regulated” land uses must still go through the “special land use” permitting process in compliance with the MZEA, but in addition to that they are also subject to the more stringent location and noticing requirements.

Amendments are proposed to the following sections of the City of Inkster’s Zoning Ordinance:

- In §155.036 “Schedule of Land Uses”, make “Mixed Use Residential and Business (Lofts)” a principally permitted land use.
• In §155.045 “B-1 Local Business District”, make “Mixed-use business and residential buildings (unless one or more of the individual uses is a special land use)” a principally permitted land use.

• In §155.046 “B-2 Thoroughfare Mixed-Use District”, make “Mixed-use business and residential buildings (unless one or more of the individual uses is a special land use)” a principally permitted land use.

• In §155.047 “B-3 General Business District”, make “Mixed-use business and residential buildings (unless one or more of the individual uses is a special land use)” a principally permitted land use.

• In §155.049 “TCD Town Center District”, make “Mixed-use business and residential buildings (unless one or more of the individual uses is a special land use)” a principally permitted land use.

• In §155.204 “Invalidation of Regulated Use Permits”, clarify relationship between regulated and special land uses.

Thank you for your consideration,

Adrianna Jordan, AICP
City Planner
