Mayor's Approval

BACKGROUND INFORMATION

On Tuesday, February 18, 2020, the Planning Commission reviewed and recommended approval for SLU 18-37 which is a proposed Medical Marijuana Cultivation Facility to be located at 2740 Beech Daly in the M-1, Light Industrial District, subject to the conditions below. The associated Site Plan (SP 18-38) was approved with one condition. City Staff recommended approval of SLU 18-37, and SP 18-38. Sam Beydoun on behalf of SBR Holdings, LLC is the applicant. Draft meeting minutes are attached.

The subject property totals 3.2 acres and is located on the west side of Beech Daly between Princeton and the railroad tracks. There is an existing vacant single-family house and accessory shed on the site. The proposed new structure would total 27,000 square feet. The site plans indicate that there will be 20 employees. The hours of operation are Monday through Friday 10 am to 8 pm.

The Planning Commission’s recommendation for approval of the Special Land Use was subject to the following conditions (review letters and site plans are attached):

1. Security. A security plan must be reviewed and approved by the Police Department, and inspected for approval by the Police upon installation.
2. Licenses. A state license, local business license, and certificate of occupancy must be obtained prior to operations.

SCOPE OF SERVICES
N/A

JUSTIFICATION

The City Planner’s letter dated January 20, 2020 recommends that Planning Commission recommend approval of the Special Land Use because the proposed use
is compatible with the Zoning Ordinance, Master Plan, and surrounding uses. Additionally, it would redevelop a vacant property and foster economic development within the City of Inkster. Finally, Planning Commission felt that the proposed hours of operation are reasonable.

Site plans and maps are attached for review. A full copy of the site plan is available for review in the Planning Department upon request.

**PROJECT OR IMPROVEMENT TASKS**
1. Develop a plan to diversify the tax base to ensure a sustainable budget for Inkster.

**COSTS**
All costs are incurred by the petitioner.

**PROJECT TIME TABLE**
If approved by City Council, Final Site Plan approval will be sought, and then the applicant will seek a Certificate of Occupancy from the Building Dept. in order to begin operation.

**RESOLUTION**

Resolved by ___________________  Seconded by ___________________

To approve a Special Land Use (SLU 18-37) for a Medical Marijuana Cultivation Facility located at 2740 Beech Daly in the M-1, Light Industrial District with the conditions noted per the recommendation of the Planning Commission.

IV. PUBLIC HEARINGS

A. Case #s 18-37 (SLU) 18-38(SP) Medical Marijuana Cultivation Facility
   Public Hearing to review and consider approval of a special land use and site plan for a proposed Medical Marijuana Cultivation Facility in the M-1, Light Industrial District at 2740 Beech Daly, between Princeton and the railroad tracks. Sam Beydoun on behalf of SBR Holdings, LLC is the applicant.

MOVED by Wimberly, Seconded by Cain to open the public hearing for Case #18-37 (SLU), 18-38 (SP) – Medical Marijuana Cultivation Facility. MOTION CARRIED unanimously.
Commissioners Concerns:

1. Commissioner Faison asked about if it was for cultivation only. The applicant responded that it would only be used for cultivation and that there was a security plan that was already approved.
2. Commissioner Wimberly asked if there would be recreational cultivation in the future. The applicant replied that they would apply for the license if it was available. Wimberly then asked how long it took them to get through the planning process. Ms. Jordan said the original plan was submitted December 20, 2018.

Public Comment:

1. Shirley Hinkerson asked if they would be hiring Inkster residents. Commissioner Wimberly responded in saying that the City is working on a Community Benefits Agreement. The applicant agreed that they would be looking for Inkster residents and that they would agree to the CBA.

MOVED by Davis, Seconded by Ratliff to close the public hearing. MOTION CARRIED unanimously.

MOVED by Davis, Seconded by Ratliff to recommend approval Case #18-37 (SLU) Medical Marijuana Cultivation Facility with the following conditions:

1. A security plan must be reviewed and approved by the Police Department, and inspected for approval by the Police upon installation.
2. A state license, local business license, and certificate of occupancy must be obtained prior to operations.

MOTION CARRIED unanimously.

MOVED by Wimberly, Seconded by Ratliff to approve Case #18-38 (SP) – Medical Marijuana Cultivation Facility with the following condition:

1. Address all other department comments.

MOTION CARRIED unanimously.

V. OLD BUSINESS

A. Case #s 19-05 (SLU) 19-06 (SP) Adult Foster Care Facility

Review and consider recommendation of a special land use and approval of a site plan for a proposed Adult Foster Care Facility in the B-2, Thoroughfare Mixed-Use District at 715 Inkster, between Woodsfield and Avondale. Ihsan Asmar on behalf of Forever Care Homes is the applicant.

Commissioners Concerns:

1. Commissioner Faison mentioned that with the newly submitted letter by the attorney for GSP Woodsfield, there would clearly be no parking agreement. She then asked what type of facility it would be and how many people would be there. Ms. Jordan responded that they would not need a parking agreement as there is an easement that runs with the land...
in perpetuity that provides all of the parking they would need. She then said that the facility is considered “large” because there are 13 residents that will live there.

2. Commissioner Davis asked if it was considered a SLU in the B-2 district, and Commissioner Cain followed up asking if it is permitted there. Ms. Jordan responded that it is a SLU so you would need to consider those standards. The applicant then stated that they would only be housing mostly elderly and transitional people.

3. Commissioner Faison then mentioned that the main concern is for the safety of the children attending the school. The applicant stated that there would be 24 hour security and security cameras in place. Vice Chair Ratliff then asked how long they have owned the building and if they have had to do a lot of work on it. The applicant responded that they bought it around Christmas and that Starfish Family Services has already done a lot to the building. Ratliff then asked how long they have been going through the planning process. Ms. Jordan responded that they started in January of 2019. Ratliff then asked if they had been in contact with the Attorney for GSP Woodsfield? The applicant said they had last spoken to them on February 7th and that they were unaware there was another body to go through that wasn’t the school board.

4. Commissioner Davis asked if the residents had background checks. The applicant said they were vetted by the county.

5. Commissioner Cain asked what the “theme” of the facility will be. The applicant responded that it will be for developmentally disabled people, and not for rehabilitation.

6. Mr. Tennant then got up and spoke to the concerns of the building owner of the school to the north of the proposed facility and how the zoning does not allow for the use. He could not cite any part of the City’s ordinance that allowed for it within the B-2. Commissioner Cain asked why we are labeling it with a different use. Ms. Jordan responded that the way the ordinance is written, we don’t have a specific land use for “large” AFC homes and must choose the land use that’s most similar.

MOTION CALLED, NO MOTION MADE.

B. Case # 19-06 (SP) – Consideration of Shared Parking
Planning Commission to review and consider approval of shared parking between the applicant and Inkster Preparatory Academy, for a proposed Adult Foster Care Facility (SP 19-06) in the B-2, Thoroughfare Mixed-Use District at 715 Inkster Rd. Ihsan Asmar on behalf of Forever Care Homes is the applicant.

MOTION CALLED, NO MOTION MADE.

C. Case # 19-06 (SP) – Consideration of a Loading Zone Waiver
Planning Commission to review and consider approval of a loading zone length waiver for a proposed Adult Foster Care Facility (SP 19-06) in the B-2, Thoroughfare Mixed-Use District at 715 Inkster Rd. Ihsan Asmar on behalf of Forever Care Homes is the applicant.

MOTION CALLED, NO MOTION MADE.

D. Case # 19-06 (SP) – Consideration of a Loading Zone Screening Waiver
Planning Commission to review and consider approval of a loading zone screening waiver for a proposed Adult Foster Care Facility (SP 19-06) in the B-2, Thoroughfare
Mixed-Use District at 715 Inkster Rd. Ihsan Asmar on behalf of Forever Care Homes is the applicant.

Subject: SLU18-37 Medical Marijuana Cultivation Facility – Second Review
Location: 2740 Beech Daly
Zoning: M-1, Light Industrial District
Applicant(s): Sam Beydoun on behalf of SBR Holdings, LLC

The City of Inkster Planning Department has reviewed the above-referenced Site Plan application for the construction of a new 27,000 square foot industrial building for medical marijuana cultivation at 2740 Beech Daly. This development requires a public hearing and special land use approval from City Council, as well as site plan approval. Planning Staff offers the following comments for your consideration. The site plan was received on December 20, 2018, and is dated December 10, 2018. Revised plans were submitted for review in digital format on July 23, 2019.

SITE DESCRIPTION

The subject property totals 3.2 acres and is located on the west side of Beech Daly between Princeton and the railroad tracks. The site is zoned M-1 (Light Industrial District) and there is an existing vacant single-family house and accessory shed on the site.

The site plans indicate that there will be 20 employees. The hours of operation are Monday through Friday 10 am to 8 pm.

SPECIAL LAND USES IN M-1 DISTRICT

Medical marijuana cultivation facilities are a SLU in the M-1 district. We have reviewed the application for compliance with the Inkster Zoning Ordinance regulations, and sound planning and zoning principles, and offer the following comments for your consideration.
REVIEW OF SPECIAL LAND USE ($155.289)

The following standards are applicable to all SLU applications.

1. Will be harmonious and in accordance with the goals, policies, and actions of the Master Plan. The site is planned for Industrial uses. Typical uses include: manufacturing, assembly, warehousing, salvage facilities research/office and similar uses. In addition, the zoning is M-1 Light Industrial. Accordingly, light industrial, research, and related office uses permitted in this district should be fully contained within well-designed buildings on amply landscaped sites, with adequate off-street parking and loading areas, and with no outside storage. The proposed cultivation facility is compatible with the master plan and can be compatible with the zoning with proper screening and landscaping. This finding can be made subject to the results of a public hearing.

2. Will be designed, constructed, operated, and maintained so as to be visually and physically harmonious and appropriate in appearance with the existing or intended character of the general vicinity and not change the essential scale and character of the area. The applicant has revised the site plan to comply with the landscaping, screening requirements, and other site improvements, and we believe that the proposed use will be visually and physically harmonious and appropriate in appearance with the existing and intended character of the general vicinity. This finding can be made.

3. Will be a visual, physical, and economic improvement in relation to the property in the immediate vicinity and to the city as a whole. The proposed use is improving the appearance of the property by taking a vacant overgrown lot and developing it with new industry, and will bring additional economic benefits to the city. This finding can be made.

4. Will be served adequately by essential public services and facilities or that the persons responsible for the establishment of the proposed use will adequately provide any such service or facility. The exact impact on utilities is unknown for medical marijuana cultivation. To mitigate the burden on utilities, the applicant indicates that they will use high efficiency plumbing fixtures, and LED lighting fixtures. Further, the cultivation facility will likely require additional services in the form of police security and patrolling. A security plan must be reviewed and approved by the Police Department before this finding can be made.

5. Will not detract from the desirability and orderly function of residential or business uses. Discretion shall be given to the impact of the proposed use upon existing uses which may relate to the traffic generation, sound, artificial lighting, odors, emission of exhaust gases, pedestrian traffic, hours and days of operation, creation of a public or private nuisance, opportunity for crime or criminal activity, congregation of individuals for purposes other than intended by the proposed use, and similar factors generated by the proposed use. The factors stated herein are not intended as a limitation upon the possible considerations and are by way of example only. Generally speaking, marijuana plant odor will likely permeate from the site. The applicant indicates that odor mitigation measures will include pressure-locked double entryways to cultivation areas, fans, charcoal scrubbers, a custom negative pressure system to draw air towards a centralized "air estuary" for decontamination and purification, odor
destroying UV light exposure, dehumidification, chillers, hospital-grade back-up generators, and climate monitoring. In addition, site security includes security officers, cameras, and security alarms. We defer to the Inkster Police Department on review and approval of the Security Plan.

6. Will not erode or reduce the economic viability of other existing land uses. Consideration shall be given to the compatibility of other existing uses with the proposed use and maintaining land values within the City. The subject site will be located in a stand-alone building and abuts other industrial uses to the north and south, as well as industrial uses in Dearborn Heights to the east. To the west is a vacant lot that was rezoned from R-1B, One-Family Residential to M-1, Light Industrial on March 5, 2018. The proposed use is not likely to have an adverse impact on any of the existing uses in the vicinity. We recommend that the results of a public hearing be considered to assess impacts on the surrounding neighborhood.

7. Will not impose additional service demands upon the City or its anticipated future resources. To mitigate the burden on utilities, the applicant indicates that they will use high efficiency plumbing fixtures, and LED lighting fixtures. In addition, a security plan must be submitted, and input from the Police Department is required.

8. Will further and enhance the health, safety, welfare, morals, character, comfort, convenience, and policies of the City, will not create excessive additional public costs or be detrimental to the economic welfare of the City. This finding can be made, subject to the recommendation of the Chief of Police. While the proposed use is a commercial operation to process marijuana to provide for the medical needs of patients, the secondary effects of marijuana-based uses are well documented. Therefore, the Police Department prefers to see different marijuana operations clustered in the same general area to better provide for police patrols. The City recognizes that there is potential for criminal activity surrounding marijuana facilities, and feels this potential can be minimized if the operators put in place good security measures, and work closely with law enforcement to correct issues as they develop.

9. Will be consistent with the intent and purposes of this Zoning Code, and comply with all the specific standards as established for said use by the Ordinance. This finding can be made.

REVIEW OF SPECIFIC STANDARDS FOR MEDICAL MARIJUANA FACILITY (§155.146)

(A) The medical use of marijuana shall comply at all times and in all circumstances with the Michigan Medical Marijuana Act, Medical Marijuana Facilities Licensing Act, State of Michigan regulations for the transfer of medical marijuana, and the General Rules of the Michigan Department of Community Health, as they may be amended from time to time. The applicant will be required to supply information and documentation related to the procurement of a state license. If the State of Michigan determines that building or site modifications are required a new site plan and SLU application may need to be filed with the City of Inkster.
(B) A state and local license is required for all medical marijuana facilities. The applicant will be required to supply information and documentation related to the procurement of a state license.

(C) Smoking and/or use of medical marijuana shall be prohibited at medical marijuana facilities. There is a note on the site plan indicating applicant’s willingness to comply. This standard is met.

(D) Security cameras shall be installed and maintained; and are subject to approval by the City Police Chief. All security cameras shall have a minimum resolution of 1080p, and at least 14 days of digitally recorded documentation. The security cameras shall be in operation 24 hours a day, seven days a week, and shall be set to maintain the record of the prior 14 days of continuous operation. An alarm system is required that is operated and monitored by a recognized security company. Site security includes security officers, cameras, and security alarms. We refer to the Inkster Police Department on review and approval of the Security Plan.

(E) Exterior lighting shall be required for security purposes, but in accordance with the provisions of the Zoning Ordinance. This standard could be met subject to approval by the Police Department.

(F) The premises shall be open for inspection upon request by the Building Official, the Fire Department, and law enforcement officials for compliance with all applicable laws and rules, during the stated hours of operation/use, and as such other times as anyone is present on the premises. There is a note on the site plan indicating applicant’s willingness to comply. This standard is met.

(G) Quarterly inspections may be made by the City Official’s designee to confirm the facility is operating in accordance with applicable laws including, but not limited to, State Law and City Ordinances. There is a note on the site plan indicating applicant’s willingness to comply. This standard is met.

(H) Any medical marijuana facilities shall not have exterior signage using the word “marijuana” and/or “marijuana”, or any other word, phrase, or picture commonly understood to refer to marijuana. Neon signs and non-functional decorative lighting shall be prohibited. Sign(s) shall be posted stating that “no loitering is permitted” on such property. There is a note on the site plan indicating applicant’s willingness to comply. This standard is met.

(I) If the medical marijuana facility ceases operation for a length of time six months or greater, the SLU shall expire. There is a note on the site plan indicating applicant’s willingness to comply. This standard is met.

REVIEW OF SPECIFIC STANDARDS FOR MEDICAL MARIJUANA CULTIVATION FACILITIES (§155.150C)

(A) Cultivation facilities shall have a minimum 300 foot radius, measured as the shortest distance from front door to front door, to any structure in residentially zoned districts, and a minimum
500 foot radius, measured as the shortest distance from front door to front door to any library, church, child care center, licensed day care facility, preschool program center, primary, intermediate or secondary school, or like facility. This standard is met.

(B) All activity related to the medical marijuana facilities shall be done indoors. There is a note on the site plan indicating applicant's willingness to comply. This standard is met.

(C) All Permit Holders must ensure that any water emanating from the permitted facility meets or exceeds all applicable state and local environmental standards. There is a note on the site plan indicating applicant's willingness to comply. This standard is met.

(D) Application for a Medical Marijuana Cultivation Facilities License shall be made to the City Clerk upon application forms provided by the Clerk for Medical Marijuana Cultivation Facilities License and signed by the applicant verifying the truth and accuracy of all information and representations in the application. Applications including information and documentation provided pursuant to an application shall be subject to the confidentiality rules under the Act. In addition to information and submittals, the application shall include payment of application fee in an amount set by the City Council. A state license, local business license, and certificate of occupancy must be obtained prior to operations.

RECOMMENDATION

The proposed medical marijuana cultivation facility is compatible with the zoning and existing surrounding land uses. Planning Staff recommends approval of the Special Land Use subject to the following conditions:

1. A security plan must be reviewed and approved by the Police Department, and inspected for approval by the Police upon installation.
2. A state license, local business license, and certificate of occupancy must be obtained prior to operations.

2. **Architectural Features (§155.072).** The proposed building is 28 feet tall. On the front (east) elevation the building material is entirely beige split-face block with four 14 foot high cut stone columns, and on the remaining elevations the first eight feet is constructed of split-face block, and the remaining 20 feet is clad in vertical beige metal siding. There are also two block columns extending three-quarters of the way up the building on the west (rear) façade. The façade is broken up by split face block columns along the south and north elevations that have been revised in the latest plan set to project at least three feet.

3. **Landscaping (§155.073).** Pursuant to §155.073, the following landscaping items must be addressed:
   a. **Street Trees.** Due to the parking lot facing and located within 100 feet of the Beech Daly right-of-way the street tree ordinance requirements are superseded by the perimeter landscaping requirements (item 10c in this review letter).
   b. **Irrigation.** To assist in maintaining plant materials in a healthy condition, all landscaped areas (including lawns) shall be provided with an automatic underground or drip irrigation system. The applicant has indicated that they will provide an underground sprinkler system.
   c. **Deadline for Installation.** Installation of required screening and landscaping shall be completed prior to or at the time of completion of building construction.

4. **Walls (§155.074).** The Ordinance requires all loading and service areas in the M-1 district to be screened from abutting properties by a 6’-8’ high wall. The service areas are located on the west side of the proposed building; the trash enclosure is screened by vegetation and the enclosure materials itself, and the loading area is now located inside the building and not visible from the exterior. Finally, there appears to be an existing chain link fence around the entire property,
although it may not extend across the front. The applicant is proposing to replace this chain link fence with a new six foot high wrought iron fence. The accessory transformer was moved to the south west corner of the building and will be screened by an enclosure that is similar to the dumpster's enclosure.

5. **Waste Receptacle (Dumpster) or Storage Screening (§155.075)**. The site plan proposes one 10' x 20' x 8' beige split face block dumpster enclosure on a six inch concrete pad in the northwest corner of the subject property with a dark brown opaque metal gate.

6. **Exterior Lighting and Security (§155.076)**.
   a. **Lighting**. The lighting intensities have been revised so that lighting does not exceed 0.3 foot candles at any property line.
   b. **Security**. Please reference the SLU review letter for medical marijuana requirements.

7. **Off-street Parking (§155.077) and Circulation**. The requirement for cultivation facilities is most similar to a wholesale establishment which is five parking spaces plus one per employee in the largest working shift or one per 2,000 square feet, whichever is greater. There are 28 spaces provided, so this requirement is met. The site proposes to improve the access drive off of Beech Daly by widening it to 36 feet wide.

There is an existing five foot wide public sidewalk along Beech Daly, a proposed five foot wide sidewalk in front of the east elevation parking area, and a proposed five foot wide sidewalk along the rear parking area.

8. **Accessible Parking for Physically Disabled Persons (§155.078)**. One van-accessible space and one standard ADA space is required for a total of 28 parking spaces, and two van-accessible spaces are provided.

9. **Off-street Loading and Unloading (§155.079)**. One 10 foot by 70 foot striped off-street loading areas is provided inside the building and is screened by nature of its location.

10. **Parking Lot Landscaping (§155.080)**. Interior landscaping shall be provided within the boundaries of the parking lot, and shall comply with the following provisions:

Preliminary Site Plan Approval

Dear Mr. Bivins:

Alfred Benesch & Companies (Benesch) has completed a review of the plans with the latest revision date of January 5, 2020 and recommends acceptance and approval of the plans.

Please note the following:

1. The proposed storm water management facility (detention basin) shall be designed to Wayne County standards and requires the review and approval of the Wayne County Construction Permits Office. See the Wayne County Public Services Engineering website for more information regarding the permitting process and associated plan reviews: https://www.waynecounty.com/departments/publicservices/engineering/construction-permit.aspx.

2. The site is over 1 acre in sized and therefore requires a soil erosion sediment control (SESC) permit. Wayne County issues all soil erosion sediment control (SESC) permits on behalf of the City of Inkster and a SESC permit shall be obtained prior to the start of work on the site. See the Wayne County Environmental Services website for more information regarding the permitting process and associated plan reviews: https://www.waynecounty.com/departments/environmental/landresources/soil-erosion.aspx.

3. A construction permit from the City of Inkster is required to work in the Beech Daly Road and Meadowdale Avenue right-of-way.

Please call me at 313-495-0296 if you have any questions.

Sincerely,

Alfred Benesch & Company

Ms. Jordan,

The following is my recommendation for 2740 Beech Daly:

1. Lighting on the exterior of the building.
2. Camera system – able to connect to the P.D.
3. Alarm system that is monitored 24 hours a day.

Please let me know if there is anything else you may need.

Thanks!

From: Jason Kaye, Fire Inspector

Date: 01-24-2019

Subject: 2740 Beech Daly

After review of the above mentioned site plan and recent DRT meeting, the fire department determines the following items applicable:

The fire department requires the proposed building (27,000sq. ft.) have an automatic sprinkler system installed with fire alarm and 24hr monitoring in accordance with NFPA 13.

The fire department requires emergency exit lighting installed and any door that opens to the exterior of the building have one-strike panic hardware.

The fire department requires that either a separate key pad be installed with the code provided to the fire department or the code for the one key pad that is to be installed be given to the fire department so it may access the property in the event of an emergency.

The fire department requires a KNOX BOX be mounted on the exterior of the building in an appropriate location for fire personnel to easily access. The KNOX BOX shall contain keys for entry into the building and keys to any interior door that may be locked which houses alarm panels or utilities. These keys will only be used in the event of an after-hours emergency to mitigate any unnecessary damage to the building.

The requirements listed above are not intended to be all inclusive, additional requirements may be determined as applicable on actual occupancy or use. Final approval subject to final inspection.

AGREEMENT BETWEEN THE INKSTER HOUSING COMMISSION AND THE CITY OF INKSTER FOR THE PROVISION OF SUPPLEMENTAL POLICE SERVICES

This Contract, effective the First day of 2020 between the Inkster Housing Commission, (hereinafter called the "Commission") and the City of Inkster, hereinafter called the "City") is for the provision of specific police services associated with the Commission's Security Programs.

WHEREAS, the Commission desires to contract with the City for additional police services to create a drug-and crime-free environment and to provide for the safety and protection of the residents in its public housing developments; and

WHEREAS, the City, by and through its police department, desires to assist in the effort by providing effective police services at all Commission locations,

NOW THEREFORE, the Commission and the City agree as follows:

ARTICLE I
Scope of Services

SECTION ONE: SERVICES PROVIDED BY THE CITY

The City agrees that the services rendered by the Assigned Personnel under this Contract are in addition to baseline police services. The City agrees that it will not reduce its current level of police services to the public housing developments, particularly in the areas of community policing, patrol, criminal investigations, records, dispatch and special operations.

The manner and method of performance of services is specified in Article IV, Plan of Operations.

The duties and extent of services of the Assigned Personnel shall include, but shall not be limited to:

A. The City, by and through its police department, will provide a minimum of (1) police officer to perform specialized patrols to enforce state, local laws and the Commission Rules specified in this Contract. Sworn officers shall at all times remain part of, subject to and in direct relationship with the police department's chain of command and under police department rules, regulations and standard operating procedures.

B. The City agrees to assign police officers to targeted areas during specific periods of time identified by the Commission and agreed upon by the City as high crime or high workload (directed patrol) times, or as requested by the Commission in the public housing community areas, to maintain a police patrol presence. It is understood that officers shall only be assigned in accordance with the terms of their collective bargaining agreement with the City of Inkster.
C. The City agrees that the police department will employ a community policing concept and will assist screening new applicants and enhancing crime prevention programs in the public housing communities. In addition, the City will provide background checks to the Commission for new employees as a part of the Commission's pre-employment requirements.

D. The City agrees to collect and provide workload data in public housing developments.

E. It is further agreed that to the extent necessary, the Assigned Personnel may appear as witnesses in the Commission's administrative grievance procedures or quasi-criminal conduct proceedings (with prior approval from the Inkster Chief Police and/or his designee and such approval shall not unreasonably be withheld) civil dispossessory hearings, or other civil or court proceedings where the issue includes criminal or in or near public housing developments involving any resident, member of a resident's household, or any guest or guests of a resident or household member.

F. Without limiting any of the foregoing, the City agrees that with respect to the services to be performed by any police personnel in accordance with this Contract, the appropriate police department Patrol Commander or Supervisor will meet with resident leadership and management representatives of the Commission on a routine basis for the purposes of reviewing the enforcement and prevention efforts and planning for future changes or modifications anticipated by this Contract. These meetings shall occur at least monthly.

G. The City agrees that it will provide the Assigned Personnel with such basic equipment as may be necessary and reasonable in order to allow the police officers to carry out the duties anticipated under this Contract.

H. The Police Department shall designate a command officer as the Administrative Liaison Officer, who will work in concert with the Executive Director of the Commission or that, officials designate.

I. The city will at times provide supervision, control, and direction of work activities and assignments of police personnel. This includes disciplinary actions, if necessary. It is expressly understood that the Police Department shall be responsible for the compensation of the officers and all employee benefits, as well as any injury to officers, their property, or the City's property while on the Commission's property.

SECTION TWO: SERVICES PROVIDED BY THE COMMISSION

A. The Commission will provide training to the residents and the Assigned Personnel with workshops on community policing and crime prevention issues associated with public housing. This shall include, but not limited to, training in the following:

1. Crime prevention and security responsibilities;
2. Community organization/mobilization against the cause of and precursors to crime;
3. Drug awareness and control;
4. Orientation and familiarization with the public housing communities for the assigned officers, and
5. Orientation to the lease contract, and lease compliance enforcement procedures and policies.
B. The Commission shall provide a quarterly assessment of the results achieved, as measure against the performance objectives specified in the Plan of Operations listed in Article IV of the Contract.

C. The Commission will provide the City with the applicable housing commission rules and documentation to comply with this Contract.

ARTICLE II
Enforcement of Rules and Regulations

A. The City, through its police officers, is hereby empowered to enforce the following Commission rules and regulations:

1. Unauthorized visitors in unoccupied structures of the Commission shall be removed.
2. Unauthorized visitors creating disturbance or otherwise interfering with the peaceful enjoyment of lessees on Commission property shall be removed.
3. Unauthorized visitors destroying, defacing or removing Commission Property shall be removed and/or criminal enforcement actions shall be taken.

With regard to the foregoing rules and regulations, the City's police officers are hereby authorized to give criminal trespass warnings to any persons found in violation of said rules or regulations, i.e., to give notice to any violators that their entry on the property or premises is forbidden, and to arrest or cause the arrest and prosecution of any violators, when appropriate.

B. The City, through its police officers, is hereby empowered to enforce the following Commission rules or regulations:

1. The resident agrees to park his or her car in parking spaces provided by the Commission or on city streets and further agrees not to drive a car or truck onto or over the ground of the Development.
2. Resident agrees to remove abandoned cars from property within 2 days from notification date.

With regard to the foregoing rules or regulations, the City's police officers are hereby authorized to remove any and all vehicles found parked in violation of said rules or regulations, pursuant to established City procedure for impounding vehicles.

C. Nothing herein contained shall be construed as permitting or authorizing police officers to use any method or to act in any manner in violation of law or of their sworn obligation as police officers.
ARTICLE III
Communications, Reporting and Evaluation

A. Communications

1. Access to Information

The City agrees that the Commission will have unrestricted access to all public information, which in any way deals with criminal activity in any of the developments. Upon request, it is further agreed that the City Police Department will provide to the Commission copies of such incidents, reports, arrest reports or other public documents which document or substantiate actual or potential criminal activity in or connected with the public housing developments. This information will be provided at no cost by the City Policy Department on a regular basis in accordance with specific procedures that have been or will be established.

Existing procedures should be included as an Addendum to this Contract.

B. Reporting

1. Forms

The City agrees to provide the Commission with copies of all incidents that occur on Commission grounds. The City further agrees to provide the Commission with reports of criminal activities that do not occur on Commission grounds, if the City is aware that residents are involved in the criminal activity.

2. Media Coordination

The Police Department will relay to the Executive Director or his designee information related to any major crime or incident that occurs on Commission property, preferable before the media is informed, or as soon as possible.

C. Evaluation

The City and the Commission agree that any evaluation shall include:

1. Hours worked by police officers for:
   a. Foot patrol
   b. Bicycle patrol
   c. Motorized patrol
   d. Other (tactical)

2. Response times to targeted communities by City-paid officers and Commission-paid officers by Priority I (emergency), Priority II (non-emergency) and Priority III (if utilized).
3. Arrests (to include drug violations)
4. Vehicles towed
5. Positive contacts
6. Referrals
7. Trespassers removed
8. All UCR or NIBRS Reports
9. Calls for service
10. Weapons seized
11. Property stolen/recovered
12. Community feedback

It is further agreed that the City will provide comparable crime information for the City as a whole to facilitate the evaluation to include what proportion of activities City-wide occur on Commission property.

ARTICLE IV
Plan of Operations

A. The City shall continue its detailed plan of operations for use in eliminating drug-related crime and provide crime data to the Housing Commission on a regular basis. The purpose of the plan is to specify the manner and method of performance by which each of the services identified is to be administered.

The plan of operations will minimally specify the following:

1. Service goals and minimum performance criteria (e.g., a definition of what is to be achieved and the expected benefits or outcomes that will be derived);

2. Staffing levels;

3. Responsibilities of key personnel;

4. Organization and resources, to include personnel, equipment, in-kind support, etc.;

5. Hours of operation, to encompass schedules of major tasks, activities and;

6. Community interface to evidence and methodology by which resident
involvement will be gained and maintained during the term of this Contract.

B. The plan of operations will be administrated by the Housing Officers from the date of execution of this Contract by both parties, if any changes are made to the current contract agreement. It is understood that, the Commission may request reasonable modification to the initial plan of operations, as it deems appropriate. The Commission must approve the plan in order for payments to continue.

C. If during the term of the Contract, if either party desires to amend the scope of the plan of operations, either party may request such an amendment via written notification. The Executive Director of the Commission and/or the Chief of Police shall provide final determinations regarding the establishment of an amendment to the plan of operations.

ARTICLE V
Term of Contract

This contract is initially executed for the period of 1 year with the option, at the Agency's discretion, of 2 additional one year option periods, for a maximum total of 3 years.

ARTICLE VI
Compensation to the City

A. The Commission shall reimburse the total sum of wages and all benefits of the one officer not to exceed $90,000 for the contractual period. Monthly reimbursement payments will be made to the City of Inkster upon receipt of performance of the proposed services and evidence of authorized expenditures.

B. The City shall provide the following documentation in requesting reimbursement:

1. Copies of Payroll Time Reports documenting names, employee identification, hours worked in public housing development, supervisory approval of this report. Prior approval by the Executive Director with an explanation of the necessity for any overtime to be performed in public housing must documented in writing by the Commission and provided to the housing officers' supervisor.

C. All requests for reimbursement are subject to the approval of the Executive Director, or that official's designee and the Commission shall thereafter make payment of the approved amount within thirty (30) days of receipt of the request for reimbursement.

ARTICLE VII
Termination

A. The Commission may terminate this Contract upon thirty (30) days written notice to the City of Inkster. Such notice shall be delivered by Certified Mail, Return Receipt Requested, to the address specified in Article VIII.
B. City shall have the right to terminate this contract with or without cause, for the convenience of City. In the event of termination for the City’s convenience, the commission shall not be entitled to compensation. Notice of termination shall be in writing to the Commission delivered by Certified Mail, Return Receipt Requested, to the address specified in Article VIII.

C. The Commission shall have the right to terminate this contract with or without cause, for the convenience of the Commission. In the event of termination for the Commission’s convenience, the City shall only be entitled to compensation up to and including the date that Notice of Termination is given.
