Wayne County CLEAN Program: 2020 Applications

Dear Community Leader:

I am pleased to announce that we are once again accepting project applications for Wayne County's CLEAN (County Lending Environmental Assistance to Neighborhoods) program.

Wayne County Department of Public Services' CLEAN program partners with local community groups to identify, clean up, and prevent illegal dumping throughout Wayne County neighborhoods. The program's success lies in the ongoing cooperative partnership between various community stakeholders.

To participate in the CLEAN program, please complete the enclosed application. Applications may be submitted to the Wayne County Environmental Services Division office, located at 3600 Commerce Court, Wayne, Michigan 48184. Selected projects will be scheduled for clean up between April and October of 2020.

If you have any questions about the program or need assistance completing the application, please contact John Demerjian at (734) 326-5708 or by e-mail at jdemerjian@waynecounty.com.

We look forward to having you on the CLEAN team.

Sincerely,

John Demerjian
CLEAN Program Administrator
